Get Started

### AI Stress Analysis

Our intelligent algorithms analyze your daily inputs to predict and help manage your stress levels before they escalate.

### Interactive Health Reports

Generate comprehensive visual reports of your health trends, sleep patterns, and hydration over time.

### Multi-language Support

Experience WellBot in your native language. Fully supported in English, Hindi, and Telugu.

### Secure & Private

Your health data is encrypted and securely stored. We prioritize your privacy above everything else.

### Community Insights

See how your wellness score compares anonymously with the community and stay motivated.

### Daily Check-ins

Log your mood, energy, and habits in less than 30 seconds to build a historical map of your wellbeing.

# SIGN IN

The image shows a 'Sign In' form for 'WellBot'. On the left, a purple-to-pink gradient sidebar contains the 'WellBot' logo, a 'Welcome back! We missed you.' message, and a sub-header about continuing the wellness journey. The main white area on the right is titled 'Welcome Back' and includes a sign-in prompt. It features input fields for 'EMAIL ADDRESS' (with an eye icon) and 'PASSWORD' (with an eye icon and a 'Forgot Password?' link). Below these are language selection buttons for 'us English', 'in हिंदी', and 'in বাংলা'. A large purple 'Sign In →' button is prominent. Below it, an 'OR' separator is followed by a 'Continue with Google' button. At the bottom, a link for 'Don't have an account? Create Account' is provided.

**WellBot**

**Welcome back!**  
**We missed you.**

Your wellness journey continues here. Let's check in on your health today.
